

METRO

The Super Robot Bus

METRO

HEIGHT: 20'

SUPERPOWER: ABILITY TO TRANSFORM

EQUIPMENT: ROBOTIC SAFETY ARMOR

Dr. Artemus Cohen, a famous inventor, created METRO as an experiment in creating artificial intelligence that could learn and teach others about safety. After his success, METRO now acts as a substitute bus driver and superhero whenever needed!

- 1** STAY 5 GIANT STEPS FROM THE STREET AND BUS WHILE BOARDING OR EXITING.
- 2** DO NOT PUT ANYTHING OUT THE WINDOW.
- 3** AVOID DISTRACTIONS WHILE DRIVING, WALKING AND CYCLING TO BUS.
- 4** GRAB HANDRAILS TO NOT TRIP ON STAIRS.
- 5** AVOID BEING LOUD WHILE ON THE BUS, OR YOU MAY DISTRACT THE DRIVER.

GUARDIANS OF ROADWAY SAFETY
