RW-X

HEIGHT: 15'

SUPERPOWER: Transformer

TOOLS: Extending Arms, Flashing Lights

Dr. Rail Wayne, protégé of Dr. Artemus Cohen (the creator of METRO) had a vision for making rail crossings safer. One day, while working on a control box, lightning struck, and Dr. Wayne's intelligence was transferred into the control box, thus creating RW-X! Using his newfound intelligence, RW-X became a Guardian of Roadway Safety, protecting his community through education about how to be safe around railways.

- 1 CHOOSE A SAFE PLACE TO PLAY, AWAY FROM TRACKS**
- 2 ONLY CROSS AT IDENTIFIED CROSSINGS**
- 3 WHEN CROSSING, STOP, WAIT, AND KEEP A SAFE DISTANCE WHEN LIGHTS BEGIN FLASHING AND ARMS LOWER**
- 4 SEE THE TRACKS, EXPECT A TRAIN**
- 5 WAIT UNTIL ARMS ARE UP AND LIGHTS ARE OFF BEFORE BEGINNING TO CROSS**
