

**THE  
VISIONAIRE**

# Lee Cohen

**HEIGHT:** 4'4"

**SUPERPOWER:** TECH CONTROL

**WEAPON:** SUPER HEADPHONES

The son of Dr. Cohen, Lee has always been interested in his Dad's inventions. That's why, when Lee was given his super headphones, he couldn't be happier. With them, Lee can scan and control electronics to make sure everyone is safe. He one day hopes to become an inventor like his Dad!
